

4XEM 100PK Cat6A RJ45 Ethernet Plugs/Connectors

4XEM Part- **4X100PKC6A**

Introducing the 4XEM 100PK Cat6A RJ45 Ethernet Plugs/Connectors, engineered for optimal high-speed network performance. Designed to meet Category 6A specifications, these RJ-45 connectors feature a pure copper chip and contact points for superior signal transmission. Their clear, durable PC/ABS shell material ensures longevity and reliability. With an aperture (pass through opening) of 0.8" x 0.4" x 0.3" [22 x 12 x 8mm], each plug incorporates a load bar for enhanced gigabit transmission, making them perfect for professional networking setups.

Backed by a lifetime warranty, this package of 100 4XEM Cat6A RJ45 pass through connectors offer a high-quality solution for network installations requiring long-lasting and reliable performance.

Features:

- Category 6A RJ-45 connectors
- Pure copper chip and contact points
- Clear PC/ABS durable shell
- Pass-through RJ-45 design
- Supports gigabit transmission
- Aperture size: 0.8" x 0.4" x 0.3" [22 x 12 x 8mm]
- Lightweight: 0.07 oz [2 g] per connector
- Package includes 100 connectors
- Lifetime warranty

Application(s):

- **Superior Signal Quality:** With pure copper contacts, these connectors ensure excellent signal transmission, ideal for high-speed data networks in offices, schools, or government buildings.
- **Easy Installation:** The pass-through RJ-45 design makes installation faster and simpler, reducing errors, perfect for IT professionals handling large networking projects.
- **Cost-Effective Bulk Pack:** The package of 100 connectors provides great value, especially for large-scale networking projects or companies requiring regular installations, ensuring you always have enough connectors on hand.
