4XEM's 10FT Ultra Slim 4K HDMI Cable

4XEM Part- 4XSLIMHDMI10

4XEM's 10FT ultra slim 4K HDMI cable is a flexible solution to any video problem. The ultra slim design of the cable offers great flexibility to fit into tight space or limited set-up you may have. This 4K cable offers up to 18 Gbps in bandwidth to give you a smooth screen faster and more reliably, great for streaming and gaming. HDMI's compatibility makes this cable ideal for a multitude of environments. Whether you are in the office, at home or on the go this lightweight and portable cable will give you high resolution video wherever you need it. Perfect for your PC monitor, 4K TV, video game console, TV box the applications for this cable are as flexible as its slim design.

Problem it solves: Easily connect your HDMI enabled devices such as a computer tower, gaming console or streaming device to your 4K high-definition HDMI monitor.
