4XEM 15FT 3.5MM Stereo Mini Jack M/F Headphone Extension Cable

4XEM Part- 4X35MF15

Extend your audio range effortlessly with 4XEM's 15ft 3.5mm Headphone Extension Cable. Whether you need extra length for your headphones, PC, iPod, or other 3.5mm stereo Mini Jack devices, this cable delivers without compromising sound quality. Built with fully molded ends for long-lasting durability, it provides a dependable connection every time. The braided shielding effectively blocks unwanted EMI/RFI interference, ensuring a crystal-clear audio experience.

Get the reach you need with 15 feet of extended 3.5mm stereo audio—perfect for uninterrupted, high-quality sound at longer distances. Backed by a lifetime warranty, you can trust its durability for long-term performance. Packaged compactly for convenience, it's the perfect accessory to expand your audio setup.
