DATA SHEET

4XEM 1FT Cat5e Molded RJ45 UTP Network Patch Cable (Blue) - 10 Pack

4XEM Part- 4XC5EPATCH1BL10PK

Elevate your network connectivity with 10 4XEM 1FT Cat5e Molded RJ45 UTP Network Patch Cables, true game-changers in the world of data transmission. Designed for CAT5e, these cables boast a 100 MHz cable rating, making them ideal for high-speed data transfers, whether it's for work, gaming, or streaming. Their RJ-45 Male connectors with EIA/TIA 568B Pinout on both ends ensure a secure and stable connection every time.

Crafted with a PVC jacket, these cables are built to withstand everyday wear and tear, while the 26 AWG Copper-Clad Aluminum conductor offers optimal signal conductivity. With a slim 0.20-inch cable OD, these cables are both flexible and space-saving, making it perfect for tight setups.

The 1-foot length provides just the right amount of reach for your networking needs, and the lightweight design ensures portability and easy installation. 10 of these cables packaged together offer the opportunity to accomplish more in one purchase.
