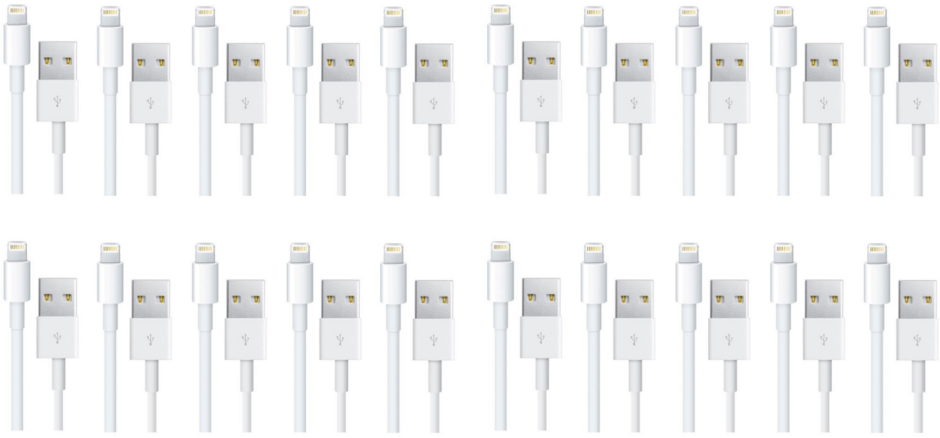
4XEM 20 Pack 3ft 1m Lightning cable - MFi Certified

4XEM Part- 4XLIGHTNING20PK



Connect all your Apple iPhone, iPad, or iPods with our family pack of MFi Certified 8-pin Lightning connection to your computer's USB or higher port, for fast syncing and charging. 4XEM's 3ft or 1M 8-pin Lightning to USB cable can be paired with the 4XEM USB power adapters, 4XAPPLECHARGER or the 4XIPADCHARGER. This MFi certified product makes it very convenient for you to charge your devices from any regular wall outlet. Our Apple compatible cables deliver dependable performance and durability with the reinforced molded ends to prevent excessive usage wear.

Problem it solves: The 4XEM 3ft/1M MFi Certified Lightning cable for 8pin Lightning devices makes a perfect high-quality backup or replacement charge and sync cable for all your 8pin Lightning connection devices. You and your whole family will never be without a charge with our inexpensive 10 pack. When charging, or transferring data to and from any Lightning device, always trust 4XEM Connectivity!

4XEM cables come with our unmatched Lifetime Warranty!

Application

- **Reliable Charging:** With the MFI Certification and high-quality construction, these cables ensure a secure and stable connection, providing reliable charging for your Apple devices. Say goodbye to intermittent charging issues and enjoy consistent power delivery.
- **Fast Data Transfer:** The high-speed data transfer rate of up to 480Mbps allows for quick and efficient file transfers, ensuring you can sync your data in no time. Whether it's music, photos, or videos, you can transfer them swiftly between your Apple devices and your computer. Critical for public sector applications, such as emergency services, where timely communication is essential.
