4XEM Multi-Port Travel Docking Station for MacBook pro

4XEM Part- 4XUHP3405M

Unlock the true potential of your MacBook Pro with our docking station designed specifically for travel enthusiasts, digital nomads, and professionals on the go. With the 4XEM Multi-Port Travel Docking Station, experience seamless connectivity and enhanced productivity wherever your journey takes you.

Our docking station is meticulously engineered to provide an array of ports, transforming your MacBook Pro into a powerful workstation. Featuring multiple USB-C ports, HDMI, SD card slots, and Micro SD, this compact device lets you connect to external displays, projectors, USB peripherals, and memory cards, effortlessly. Say goodbye to limited ports and embrace endless possibilities.

Designed with travel in mind, our docking station boasts a sleek and lightweight design that fits snugly into your laptop bag or backpack. Its compact form factor ensures it won't occupy much space, making it the perfect companion on any adventure. Enjoy hassle-free plug-and-play functionality, ensuring quick and reliable connections every time.

Our Multi-Port Travel Docking Station supports high-speed data transfer, crystal-clear video output, and optimal charging capabilities. Stream videos in 4K resolution, transfer files at lightning-fast speeds, and keep your MacBook Pro charged up for maximum productivity. Elevate your workflow and immerse yourself in a seamless experience.

4XEM™
Problem solved.

DATA SHEET

Features:

- USB-C Thunderbolt 3 port with 40Gbps and PD pass through
- USB-C port
- 2 USB 3.0 ports
- 4K HDMI port
- SD card reader and Micro SD reader
- Compact size for travel
- Deliver data transfer up to 5Gbps
- Transfers data over USB at up to 5Gbps speeds

Benefits & Applications:

- Enhanced Connectivity: Expand your MacBook Pro's connectivity options with multiple USB-C and USB-A ports, HDMI port, SD card slot and Micro SD slot. Connect to external displays, projectors, USB peripherals, and memory cards, allowing you to work and play with unparalleled versatility.
- Ultimate Portability: Designed specifically for travelers and professionals on the move, our docking station is compact and lightweight, making it easy to carry in your laptop bag or backpack. Enjoy seamless connectivity and productivity wherever your journey takes you, without sacrificing valuable space or weighing you down.
- Simplified Connections: Say goodbye to the hassle of dealing with multiple adapters and cables. The 4XEM Multi-Port Travel Docking Station simplifies your connectivity needs, offering a comprehensive solution in one sleek device. Enjoy quick and reliable plug-and-play functionality, ensuring seamless connections without any setup headaches.
- Unmatched Performance: Experience top-notch performance with our docking station. Enjoy high-speed data transfer, crystal-clear video output in 4K resolution, and optimal charging capabilities. Streamline your workflow, transfer files rapidly, and keep your MacBook Pro powered up for maximum productivity.
- Durable and Reliable: Built to last, our docking station is crafted with premium materials and undergoes rigorous quality control. We understand the demands of a dynamic lifestyle, so we ensure our docking station is durable and reliable, providing a long-lasting companion that withstands the rigors of daily use.
