

20-Port USB-C Desktop Charging Station – 800W Total, 35W Fast Charging per Port

4XEM Part- **4XC20ST800**

Power up your workspace with the 4XEM 20-Port USB-C Desktop Charging Station, delivering an impressive 800W total power budget and up to 35W of fast charging per port. Whether you're managing a tech-heavy office, an educational environment, or a public charging hub, this powerhouse solution ensures all your USB-C devices—from smartphones and tablets to laptops—stay fully charged and ready to go. With support for advanced charging protocols like Power Delivery (PD 3.0), Quick Charge (QC), and PPS, you get optimal charging performance tailored to your device's needs. When fewer ports are in use, the station can ramp up to 100W on select ports, offering extra speed where it's needed most.
