

4XEM DisplayPort to DVI-I M/F Adapter

4XEM Part- **4XDPMDVIFA**

Use 4XEM's DisplayPort to DVI Adapter to connect a DisplayPort source to a DVI monitor or display without the hassle of an extra length of cable. The male DisplayPort connection converts to a 29 pin Female DVI port, meaning any type of Male DVI cable - 19 pin, 25 pin or 29 pin - will work. Supports resolutions up to 2560x1600. This adapter requires a DP++ port, which allows DVI and HDMI signals to run through the port. DisplayPort signals are passed through with 1080p video resolution supported. A durable and quality build ensures long life enjoyment.
