

4XEM 9M AQUA Multimode LC To LC 50/125 Duplex Fiber Optic Patch Cable

4XEM Part- 4XFIBERLCLC9M

Introducing the 4XEM 9M AQUA Multi-mode LC To LC 50/125 Duplex Fiber Optic Patch Cable – your gateway to seamless connectivity and enhanced performance. With a generous 1-year warranty, this passive cable boasts bidirectional capabilities, ensuring reliable data transfer in both directions. The connectors, featuring a sleek gray plastic plating, are Fiber LCLC Duplex on both ends, providing optimal signal integrity.

Choosing LCLC (Lucent Connector to Lucent Connector) fiber optic cables offers several advantages for your networking needs. The LCLC configuration is known for its precision and reliability, ensuring a secure and efficient connection in data transmission. The duplex setup of the connectors allows bidirectional communication, making it versatile for various applications.

Features:

- LCLC (Lucent Connector to Lucent Connector) configuration
- Duplex design
- Bidirectional communication
- Gray plastic plating enhances durability and maintains a professional appearance
- 10 Gbps bandwidth
- Compact and sleek connectors
- Ideal for data centers, network expansions, and telecommunications

Versatile Applications for Public Sector Organizations:

- **Government Networks:** Ideal for secure and efficient communication within government agencies, ensuring the confidentiality and integrity of sensitive data.
- **Educational Institutions:** Facilitates high-speed data transfer for educational institutions, supporting seamless online learning platforms and data-intensive research projects.
- **Healthcare Systems:** Ensures reliable and fast communication in healthcare networks, critical for the exchange of patient information and maintaining efficient healthcare operations.
- **Emergency Services:** Supports mission-critical applications for emergency services, ensuring timely and reliable communication during critical situations.

SPECIFICATIONS:

Warranty Information	Warranty	1 Year
Hardware	Active or Passive cable	Passive
	Chip ID	N/A
	Direction	Bidirectional
	Connector Plating	Gray (Plastic)
	Number of Conductors	N/A (Fiber)
Connector(s)	Connector A	Fiber LCLC Duplex
	Connector B	Fiber LCLC Duplex
Performance	Bandwidth	10 Gbps
	Maximum Resolution	N/A
Physical Characteristics	Color	Green/Aqua
	Cable Length	30ft (9m)
	Connector Style	Dual
	Connector Shielding	PVC - Polyvinyl Chloride
Packaging Information	Product Height	0.79 in [20 mm]
	Product Width	5.91 in [150 mm]
	Product Length	7.48 in [190 mm]
	Shipping (Package) Weight	4.2 oz [119 g]
What's in the Box	Included in Package	1x 30ft/9m Fiber LCLC Cable

* Product appearance and specifications are subject to change without notice. All weights and measurements are approximate

* Same day shipping is only available for orders shipping within the United States.
