

4XEM 6ft Professional Ultra High Speed 8K HDMI Cable

4XEM Part- 4XHDMI8K6FTPRO

Experience unparalleled video and audio quality with the 4XEM Professional Series 6 ft Ultra High Speed 8K HDMI Cable, designed to elevate your entertainment and professional setups to new heights. With an impressive bandwidth of 48Gbps, this HDMI cable complies with HDMI 2.1 standards, ensuring you get the best performance possible.

The 6 ft length is ideal for connecting your devices while minimizing cable clutter. The bidirectional design ensures that you can easily connect your HDMI source to your display with HDMI 19-pin male connectors at both ends. This cable's braided jacket provides durability and protection, making it suitable for demanding environments.

Enjoy stunning visuals with a maximum resolution of 8K UHD at 60Hz (7680x4320), allowing you to fully immerse yourself in your favorite movies, games, and presentations. The gold-plated connectors provide a secure and stable connection, ensuring your content is delivered without interference.
