

16-Port Sliding Shelf Tablet USB Charging Cabinet 4XEM

Part- **4XSCA16USBS**

Designed for functionality, safety, and ease of access, the 16-Port Sliding Shelf Tablet USB Charging Cabinet is the perfect solution for managing and powering multiple devices in schools, offices, IT departments, and public environments. Engineered with a robust metal frame and aluminum housing, this cabinet supports up to 16 tablets or mobile devices, each with dedicated USB charging ports for consistent and energy-efficient charging. Whether mounted on a wall or used with its included rubber casters for mobility, the cabinet delivers flexibility and efficiency in a variety of settings. This cabinet is delivered flat-packed for efficient shipping. It's an ideal centralized solution for secure charging and storage needs in fast-paced, tech-driven environments.

Features:

- **16-Port USB Charging:** Simultaneously charges up to 16 tablets or smaller mobile devices using integrated USB ports.
- **Easy Access with Sliding Shelves:** Smooth-sliding shelves simplify device insertion, removal, and cable management—ideal for busy environments.
- **Secure Design:** Equipped with locking front door and included keys for device security.
- **Ventilated for Cooling:** Vented sides and door with air ventilation to prevent overheating.
- **Heavy-Duty Construction:** Durable metal frame with aluminum power housing for long-lasting use.
- **Wall Mountable & Mobile:** Supports wall mounting; includes 4 unattached wheels for optional mobility.
- **Certified Safe:** CE, FCC, and RoHS compliant; meets global safety and environmental standards.
- **Spacious Device Bays:** Fits devices up to 12.5" x 0.7" x 7" in individual 14.1" x 1.6" x 11.4" compartments.
- **Power Management:** Integrated power switch for centralized control.
- **Flat-Pack Delivery:** Ships flat with assembly hardware, wheels, and keys included.
- **1-Year Warranty:** Backed by a full one-year manufacturer's warranty.

Application(s):

- **Charge Multiple Devices Efficiently:** Supports simultaneous charging of up to 16 tablets or mobile devices with reliable power, streamlining daily device management.
- **Enhanced Device Security:** Built-in locking front door and included keys help prevent unauthorized access, ideal for schools, offices, and shared environments.
- **Ideal for Educational Environments:** Perfect for classrooms, computer labs, and libraries, this charging cabinet helps educators efficiently manage and secure multiple student devices in one organized location.
