

4XEM 10 Pack of 1FT USB-A to USB-C Power Delivery Cable – White

4XEM Part- 4XUSBAUSBC30CMW10PK

Stay powered and connected with the 10 Pack of 4XEM 1FT USB-A to USB-C Power Delivery Cables – White. These active, bidirectional cables deliver 12W (2A) power for efficient charging, while their 480 Mbps (60 MB/s) data transfer rate ensures seamless syncing for your USB-C devices.

Designed for durability and reliability, these cables feature nickel-plated connectors for optimal conductivity and a flexible PVC jacket that resists wear and tear. Their compact 1FT (11.8 inches) length makes them ideal for travel, workstations, and clutter-free setups. The sleek white finish blends effortlessly with modern accessories.

Whether charging your device or transferring data, trust 4XEM's premium quality for a secure and efficient connection.

Features

- Supports 12W (2A) charging
- Unidirectional Design for Charging – USB-A to USB-C
- 480 Mbps (60 MB/s) data transfer.
- Bidirectional Design for Data Transmission
- Durable & Reliable
- Nickel-plated connectors
- PVC jacket
- 10 Pack of 1FT (11.8 inches) cables
- Sleek White Finish
- 1-Year Warranty

Application:

- **Reliable Charging Anywhere** –Provides 12W (2A) power delivery, making it ideal for keeping smartphones, tablets, and other USB-C devices charged at home, in the office, or on the go.
- **Fast Data Transfers** – With a 480 Mbps (60 MB/s) transfer rate, you can quickly sync files, photos, and music between devices, perfect for students, professionals, and creatives.
- **Compact & Travel-Friendly** – The short 1FT (11.8 inches) length reduces cable clutter and is easy to carry in a bag or pocket—ideal for travel, hot-desking, or minimalistic workspaces.
- **Versatile Connectivity** – Connect USB-C devices to older USB-A ports, ensuring compatibility with laptops, desktops, power banks, and wall chargers. Great for those transitioning between legacy and modern tech.
