4XEM 6FT/2M Charging Data and sync Cable for iPhone/iPad/iPod—MFi certified

4XEM Part- 4XUSBC8PIN6

Connect all your iPhone, iPad, or iPods with our 8-pin Lightning connection to your computer's USB-C port, for fast syncing and charging. Our Apple compatible cables are Apple MFi certified and deliver dependable performance and durability with the reinforced molded ends to prevent excessive usage wear.

**Problem it solves:** The 4XEM 6ft/2M Lightning cable for 8-pin Lightning devices makes a perfect high-quality backup or replacement charge and sync cable for all your Apple 8-pin Lightning connection devices. 4XEM is an MFI certified manufacturer that can bring you the lengths and quality you need. When charging, or transferring data to and from any Lightning device, always trust 4XEM Connectivity!

## Features

- MFi Certified – Made for iPhone, iPad, iPod
- USB 2.0 Compatibility offering 480Mbps data transfer
- 6ft/2m cable length
- Connector 1: 8-pin Lightning male connector
- Connector 2: USB Type C male connector
- Color: White
- Aluminium-mylar foil cable shield

## Application

- **Reliable Charging:** With the MFi Certification and high-quality construction, the cable ensures a secure and stable connection, providing reliable charging for your Apple devices. Say goodbye to intermittent charging issues and enjoy consistent power delivery.
- **Fast Data Transfer:** The high-speed data transfer rate of up to 480Mbps allows for quick and efficient file transfers, ensuring you can sync your data in no time. Whether it's music, photos, or videos, you can transfer them swiftly between your Apple devices and your computer.
- **Portable and Travel-Friendly:** The compact size and lightweight design of the cable make it ideal for travel. It easily fits into your bag or pocket, allowing you to have a reliable charging solution wherever you go. Stay powered up on the road, at work, or during your adventures.
